

Welcome to the
Chapel Hill Garden Tour
Call for Gardens!

Nominate a garden
for the *2020 Chapel Hill Garden Tour*

We welcome nominations from the greater Chapel Hill area.

Application Procedure:

Please email us at chgc1931@gmail.com

Put "Call for Gardens" in the subject line

Include the following information to apply for consideration for the tour:

1. If you would like to nominate your own garden, please state your name, address, phone number, and email address.
2. If you would like to nominate someone else's garden, please state the name of the garden owner (host), their address, phone number and email address. Please also include your own name and contact information.
3. Please provide a brief description of the garden you are nominating (in 100 words or less) and include any special garden features or history.

The Garden Selection Committee will review the application and set up a date for a garden visit and preview. The garden is NOT expected to be in pristine or optimal condition at that time. The special features of your garden will be evident.

We will only be able to accept a limited number of gardens for the tour, so please apply promptly for early consideration. Being considered in the first phase of applications will provide the best opportunity to be included on the tour.

All applications will be carefully considered and the owners of all nominated gardens will be contacted with the selection results.
